

# WE'RE COLLECTING

## FOR KIDS IN NEED!

Every year, Dandelions WA provides thousand of kids in need with a brand new school backpack complete with new stationery items, a lunch box, water bottle, hat and toiletries.

You can help by donating the above item towards these backpacks.

Nominated students will count the donations and fill in the ruler to reflect the amount of items donated.

Other schools will be collecting the other items for the backpacks, and together we can help give all students an equal start!
