

## WE ARE COLLECTING FOR MEN, WOMEN AND CHILDREN IN NEED

### KINDNESS + COMFORT KITS - DONATE NOW

We support those experiencing homelessness, women and children fleeing domestic and family violence, those in hospital with no support or supplies and families doing it tough. Our Kindness & Komfort Kits help Western Australian men, women and children in need with the basic necessities for dignity and health.

You can change their lives by donating items they desperately need. Start a collection amongst your friends & family, workplace, gym or sports club. Have some fun and set yourself a challenge to see how many items you can collect.
